### Message from operations: Reflecting on 2025

Our service area continues to grow, from Beulah Bay to Medora, keeping crews busy. We completed the 2025 workplan projects along with new services and addressed some additional incidents. Read more about these projects our crews worked on in 2025 on C6 of our local pages.

# OPERATION ROUND UP

TURN YOUR

# COINS <sup>into</sup> CHANGE

**Operation Round Up is a program of voluntary contributions through rounding up electric bills to the next dollar.**

Members can choose to participate in our charitable program by rounding up their bills to the next dollar. The extra cents are donated to the cooperative's charitable foundation.

Funds are disbursed in the general service area of Roughrider Electric to nonprofit organizations for charitable causes.

Applications can be completed by individuals, non-profit organizations or charity groups.
